

# How to make a flipped meeting

## 翻转会议流程

The experts upload their presentations to the Internet for public to know their content in advance

专家上传演讲内容，观众可提前自由浏览。

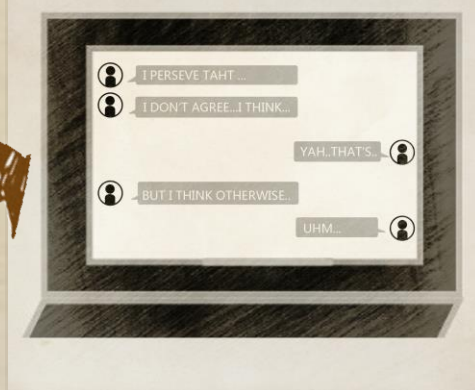

Inform the experts of the questions. If conditions permit, **challengers can communicate with the experts on line.**

将问题线上告知演讲者，若条件允许，挑战者与演讲者线上进行深入交流。

Find "challengers". discuss and select the enough good questions with a particular team.

招募挑战者，与专门小组一起对问题进行讨论与筛选。

**All the content of the meeting will be published on the internet after the meeting. Public can seek the meeting and continue the discussion on the open digital platform.**

会议后，公开会议上新内容，公众可以网上跟踪会议，并且在开放平台上继续讨论。

At the meeting, challengers question the experts after their presentations. They will state their opinions in a limited time. **After the experts answer their questions,** the challengers can put forward further thoughts.

会议上，专家演讲后，挑战者对专家进行提问。“挑战方”可对问题进行一小段陈述。专家给与解答，挑战者可现场对回答进行进一步提问。
